

THE FOLLOW UP TO THEIR CRITICALLY ACCLAIMED DEBUT RELEASE - PREPARE TO BE "LIT UP"!

victor wainwright & the wildroots Lit Up!

Power-house blues, Memphis soul, and roots rock'n'roll. Featuring the high-octane boogie piano and big soul sounds of vocalist and blues man Victor Wainwright, backed by one of the tightest smokin' bands on the scene; the WildRoots.

Victor, along with producer/bassist/co-writer Stephen Dees have teamed up once again to deliver a blues and American roots 'tour de force'. In short, they have scored another musical Bull's Eye! On the heels of their critically acclaimed debut release "Beale Street to the Bayou"; their new CD "Lit Up" is poised to ignite blues fans with a freshness and flair that's infectious and impossible to ignore.

Returning WildRoots alumni includes Greg Gumpel on guitar, along with Ray Guiser & Patricia Ann Dees on saxophones; and introducing Billy Dean on drums.
